PRODUCT DATASHEET

Performance LED Cap Light

Energizer® TRAILFINDER®

CAPR22ODE

Ideal for situations that call for hands-free lighting, the Energizer® Trailfinder® Performance LED Cap Light attaches easily and securely to a cap brim. The 90° pivot range allows you to direct the light where it's needed. And since the light mounts on top of the brim, it won't obstruct your vision. Variable light sources allow you to choose the best illumination for the job – high or low white, or red to preserve your night vision.

BRIGHT

- 3 white LEDs deliver up to 30 lumens in high mode

VERSATILE

- 3 light modes
- High and low white mode for general illumination
- Red mode to help preserve night vision

DURABLE

- Passes 2-meter drop test
- LEDs are virtually unbreakable

WEATHERPROOF

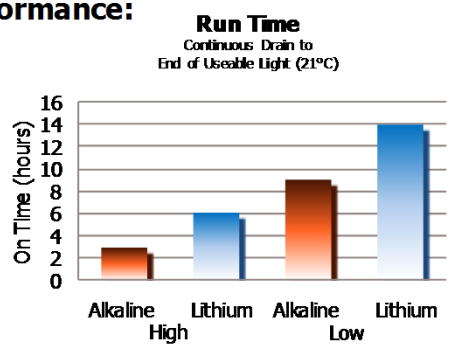
- Meets IEC 60529 IPX4 standards
- Continues to operate after exposure to splashing water from all directions

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

Product Detail:

Designation:	Energizer Trailfinder Performance LED Cap Light
Model:	CAPR22ODE
Color:	Red and Black
Power Source:	Two "AAA"
ANSI/NEDA:	Series 24
Lamp:	3 White LEDs, 2 Red LEDs
Lamp Life (hr):	Lifetime
Lamp Output (lumens):	High - 30, Low - 15, Red - 2
Beam Distance (m):	High - 20, Low - 14
Peak Beam Intensity (cd):	High - 100, Low - 42
Run Time (h:mm):	Alkaline High - 3, Low - 9 Lithium High - 6, Low - 14
Typical Weight:	87 grams with 2 alkaline AAA batteries
Dimensions (mm):	22 x 74 x 53

Performance:



Tested according to ANSI/NEMA FL 1 Standards.
